

We have finalized the process by which teams may post times for qualifying relays for the Canadian Junior Championships and would ask that you forward this to all of your clubs.

In order to be considered for ranking:

- Only times swum between March 1, 2017 to April 30, 2017 will be eligible for ranking
- The relay event must be swum long course.
- The relay team members must all be of age to compete at the Jr. Nationals – age as of July 26, 2017.
- A club may qualify two or more relays (i.e. an “A” and a “B” team), however these teams must be comprised of 8 (or 12, etc.) different swimmers. (e.g. a swimmer may not compete on one team at Provincials and compete with different swimmers at Easterns/Westerns for the purpose of qualifying another relay team).
- Swimmers names must be listed in the official results
- Changes to the order of relay swimmers and substitutions can be made to eligible relays at the Canadian Junior Championships
- Clubs wishing to qualify relays must submit the following online form identifying their relay team names and order: <https://form.swimming.ca/machform/view.php?id=21850>
- The completion of this form is not required for teams competing at the Eastern or Western Championships.
- Olympic relays are only open to Canadian clubs.
- Mixed relay events are open to all clubs and do not need to qualify in the spring.
- All relays are heats and finals

On or before May 10, 2017, the ranking will be posted. Only clubs that have qualified a relay team in the Top 20 will be notified and given until May 24th to confirm their spot at the Canadian Junior Championships. Any club that confirm their spot but does not send a relay team will be fined \$500 which must be paid before their team competes at a future Swimming Canada event.

Thank you.
