CO-DELIVERY

Pre-requisites Core Training for LFs, CEs, and MCDs

Content-specific Training for MCDs

- Step 1** Pre-brief
- The pre-brief with the MCD in training should occur 2-4 weeks prior to the co-delivery
- Step 2** Co-facilitation
- The MCD in training should perform a minimum of 2 co-facilitations. This should equal to full delivery of the course content once complete.
 - Really strong candidates may be given the opportunity to facilitate more content during the second co-facilitation
- Step 3** Debrief / Reflective Conversation
- The debrief / reflective conversation is based on the observation of the MCD candidate
 - It is strongly recommended that this occur immediately after the course, but can occur a maximum of 48 hours after
- MCD Status** **Trained**
