As the days get longer congratulations to all of you for getting yourselves to the pool on a regular basis. I tip my hat to those of you in Western Canada who have suffered the brunt of the cold weather so far. If your New Years' resolution was to get moving and you've broken it already, like so many of us, make it your February resolution!

Provincial Championships are just around the corner and soon after the Canadian Masters Swimming Championships. Mark the dates in your calendar and make plans to attend.

SWIMMING CANADA STATEMENT

An integral part of Swimming Canada's mission is to inspire Canadians to be active and healthy. Masters Swimmers are the embodiment of this. Whether training for fitness or to compete, all Masters Swimmers are an essential part of the Swimming Canada family.

Swimming Canada aims to provide the best possible support to the Masters Swimming community, working collaboratively with the provincial sections, to provide meet sanctioning, coach certification, official certification, club services, insurance, etc. Swimming Canada's close relationship with our international partners provides recognition of Swimming Canada events and of our member Swimmers' performances.
