Additionally, for Masters Swimming relay name changes may not change the age group in which the relay was entered.

GUIDELINES FOR OFFICIALS

RULE DIFFERENCES

As Swimming Canada officials working at Masters Competitions there are often questions concerning the differences between the two type competitions (Masters and Age Group). There are actually very few, the rules of conduct of the competition are those that are applied across all competitions.

There are two **swimming rules** that are significantly different;

MSW 3.2 in lieu of SW 4.1 (THE START)

MSW 3.2 When using the forward start, the referee's whistle shall indicate that the swimmers may **take their positions with at least one foot at the front of the starting platform** or pool deck, or in the water with one hand having contact with the starting wall.

MSW 3.7 in lieu of SW 8.3 (BUTTERFLY)

MSW 3.7 **A breaststroke kicking movement is permitted for butterfly.** Only one breaststroke kick is permitted per arm pull except that a single breaststroke kick is permitted prior to the turn and the finish without an arm pull. After the start and after each turn, a single breaststroke kick is permitted prior to the first arm pull.

Procedural differences include:

MGR 4 Age shall be determined as of December 31 of the year of competition.

MSW 3.1 Age groups and sexes may be combined so that no swimmer has to swim alone and lanes may be filled.

MSW 3.3 All Masters events shall be conducted on a timed final basis.

MSW 3.4 Swimmers may be allowed to remain in their lane while other swimmers are competing until directed by the referee to exit the pool.

MSW 3.8 Swimmers who had to be disqualified must be listed with coded reason for disqualification in the results list.

Application of Rules at Masters Competitions

Swimwear:

CGR 5.2.1 – CGR 5.2.4

Please note that this rule applies also to Masters swimmers who for religious or modesty reasons will wear a bathing suit or bathing suits to be sufficiently covered. Some swimmers may also require compression type stockings etc to be able to participate. The application of common sense should always prevail.

Warm-up Safety:

The wearing of watches, jewelry which may be considered dangerous or sharp, or any item which may be considered a safety hazard is discouraged in warm-ups.
Medic Alert type accessories may be worn.

Please feel free to contact your provincial officials' association or email masters@swimming.ca should you have any further questions on officiating Masters competitions, we will endeavor to respond or direct you to the proper channels.
