### c) Tie Breaking – Swimmers

In the event of a tie for the final position on the team based on AWR, the following process, in this order, will be applied until the tie is resolved:

- i. The World Para Swimming Point Score will be used to separate the tied swimmers.
- ii. If the tie is not broken by application of (i) above, then the swimmer whose preliminary swim has the highest ranking, using AWR, will be utilized to break the tie;
- iii. If the tie is not broken by application of (i) and (ii) above, then the swimmer whose preliminary swim has the highest World Para Swimming Point Score, will be utilized to break the tie;
- iv. If the tie is not broken by application of (i), (ii) and (iii) above, then the ADHP will have the authority to select, at his sole discretion, the final swimmer to the team. Any such determination will be based on factors that include, but are not necessarily limited to, a swimmer's previous competitive history, their potential eligibility and availability for relay events and any other relevant performance matters.

## VI. EXTENUATING CIRCUMSTANCES SELECTION – SWIMMERS

- i. In the event that injury, illness, or unforeseen circumstances of a significant nature inhibit a Swimmer's preparation for the Nomination Event or prohibit a Swimmer from competing at the Nomination Event, a Swimmer may submit a written **Request for Consideration of Performance** in order to be considered for Extenuating Circumstances Nomination. The details on lodging such a request are listed at Section VI (vii).
- ii. Any performance submitted in such a request must have been achieved between 01 January 2023 and 19 March 2023 at a WPS approved event.
- iii. Should any of the held allocations outlined in Section IV (b) not be required for use, they will be returned to the general selection pool and be filled using Priority 1, 2 and 4.
- iv. In no circumstance will a swimmer who has been nominated to the team through the process outlined in Priority 1, 2 or 4 be removed in favour of a swimmer selected under Extenuating Circumstances.

### Request for Consideration of Performance (Extenuating Circumstances)

- v. In considering the performances of swimmers at the Selection Event, the ADHP at his absolute discretion, may recommend to The Selection Committee that it give weight to Extenuating Circumstances.

  - a) injury or illness;
  - b) equipment failure;
  - c) travel delays;
  - d) bereavement or disability arising from death or serious illness of an immediate family member;
  - e) an unanticipated event occurring at the Nomination Event; or
  - f) any other factors reasonably considered by the ADHP at his absolute discretion, to constitute Extenuating Circumstances.
- vii. A decision as to whether Extenuating Circumstances may apply to a swimmer will be made by the ADHP on an individual, case by case basis.
- viii. The deadline for any Request for Consideration of Performance arising because of extenuating circumstances **before** the Nomination Event under clause VI (i) is 24 hours before the start of

the first event at the Nomination Event. For the avoidance of doubt, this is 9am (local), August 1, 2023, and must be submitted directly to The Selection Committee (c/o Emma Van Steen – [evansteen@swimming.ca](mailto:evansteen@swimming.ca)). Requests for Consideration of Performance must include each of the following:

- a) A completed Request for Consideration of Performance form; (Appendix C)
  - b) A letter from the swimmer's coach explaining the effect of the injury, illness, impact on performance and/or training leading into and during the Nomination Event and the training plan post nomination;
  - c) If applicable, a letter from a doctor outlining the injury, illness, impact on performance and expected recovery time;
  - d) Any other documentary evidence believed necessary by the Applicant (swimmer) or following a written request from the ADHP.
- ix. Should injury, illness, or unforeseen circumstances arise **during** the Nomination Event the deadline to submit any Request for Consideration of Performance is, unless for a significant event occurring within the period between Heats and Finals, 2 hours before the start of the Preliminary (heat) session of the event in question. Swimmers in this situation are required to immediately submit a Request for Consideration of Performance Form (Appendix C) and, if required and appropriate, be examined by the National Team Physician or his/her designate onsite at the Nomination Event.
- x. All Requests for Consideration of Performance received will only be considered at the conclusion of the Nomination Event. The ADHP will meet with The Selection Committee to consider Requests for Consideration of Performance. The Selection Committee shall have full discretion as to whether any Swimmer will be selected under Section V (b).
- xi. All decisions of the Selection Committee will be final.

## VII. DISCRETIONARY SELECTION – SWIMMERS

- i. Any team positions unfilled after Priorities 1 through 4 (Section IV b) are completed shall remain vacant. At the conclusion of the Nomination Event, the ADHP, at his sole discretion, may recommend to the Selectors that additional swimmers be selected to the team.

## VIII. ENTRIES

- i. The Team Leader retains absolute discretion on determining individual entries and relay team composition.
- ii. Consistent with Section III b, iii), selection does not guarantee specific event entry. Individual entries and relay team composition will be determined by the ADHP. All selected Swimmers are eligible for relay selection.
- iii. Once a swimmer is selected to the team, the swimmer is eligible to swim in any event in which they have equalled or bettered an MET as listed in the 2023 Parapan American Games Program (Appendix B).
- iv. Entry times will be determined only through times achieved at WPS Swimming Recognized Competitions within the qualifying period of January 1, 2022 – September 4, 2023. Only Long Course Entry times will be considered.
- v. In the event there are more than three Canadian swimmers per sport class per event, the three swimmers, with the fastest times achieved at the Nomination Event, will be eligible for entry unless a swimmer declines an event entry.
- vi. In cases where WPS chooses to combine events of a particular Sport Class after final entries,

the total allowance for entry from a country will be 5 swimmers. Should there be more than 5 Canadian swimmers eligible, the first position will be allocated to the highest ranked swimmer and the remaining four will be allocated to swimmers from the other combined sport classes. If a swimmer declines an entry, the next ranked swimmer may be added.

## IX. TEAM COMMITMENTS

To be eligible for selection, all swimmers, once requested by Swimming Canada, are required to:

- i. comply with Swimming Canada Athlete Agreement for members of National Teams for the 2023-2024 carding period.
- ii. sign the 2023-2024 Swimming Canada Athlete Agreement no later than August 31, 2023. Where the Swimmer is under the age of 18 years, the Swimmer's parent or legal guardian must co-sign this agreement. Copies of the 2023-2024 Swimming Canada Athlete Agreement are available upon request to Emma Van Steen by email ([evansteen@swimming.ca](mailto:evansteen@swimming.ca))
- iii. attend and participate in all team activities, including the below, and as outlined in Appendix E:

## X. COMPETITIVE READINESS

“Competitive Readiness” is defined as the ability of the athlete to achieve equal or superior performance(s) at the scheduled event (either through their performance or through improving their ranking in terms of placing), as compared to the performance(s) the athlete achieved in qualifying for the team.

Selected swimmers are expected to demonstrate competitive readiness for the 2023 Parapan American Games and selection will not be finalized, or may be revoked, subject to the completion of the process outlined below. Selected swimmers are expected to begin the tour with a reasonable expectation of demonstrable competitive readiness as determined by the ADHP.

- i. To confirm selection, athletes must submit a **Competitive Readiness Competition and Training Plan** with the ADHP ([wloomas@swimming.ca](mailto:wloomas@swimming.ca)) before August 31, 2023. This plan will cover the period 1 September – 24 November, 2023 and must include:
  - Competition schedule
  - Evidence of periodization and tapering in their training plan for the 2023 Parapan American Games
  - IST evaluation, gap analysis and gap mitigation plan
  - Performance targets that specifically address peak performance preparation

Swimmers who do not maintain competitive readiness due to **injury or illness** may be removed from the team.

- i. Once selected, swimmers whose competitive readiness is in doubt due to lack of fitness or through injury or illness may be removed from the team at any time, including during the Performance Preparation Camp.
- ii. Swimmers are required to immediately report any injury, illness, or change in training that could reasonably be expected to affect their ability to deliver Peak Performance at the 2023 Parapan American Games. Notification must be sent to the ADHP.
- iii. Failure to fully report injury, illness or any change in training that could reasonably be expected to affect their ability to deliver Peak Performance prior to the commencement of the competition may result in the athlete being deselected and financially responsible for all costs associated with the event.
- iv. In the case of any injury or illness that could reasonably be expected to affect Peak

Performance, medical clearance will be required. Such medical clearance will be conducted under the direction of the National Team Physician who will provide a Competitive Readiness assessment to the ADHP.

- Step 1 An initial medical evaluation, undertaken by the team physician to determine if the athlete is fit to return to full training or competition. This would occur once stabilization of health has been achieved.
- Step 2 A dynamic functional evaluation will be carried out by members of the Swimming Canada Integrated Support Team (IST) that would be specific to the event (and injury or illness if applicable). This would assess the athlete's movement patterns during a swim, start, turn, for example, to identify movement patterns that may increase the risk of reinjury or undermine Peak Performance.
- Step 3 Following clearance by the IST team of the above, practitioners, including physician, psychologist or psychiatrist will undertake a comprehensive medical review to determine the swimmer's competitive readiness.

The final decision on competitive readiness will be made by the ADHP in consultation with any other person as decided by the ADHP once selection is completed. The ADHP has absolute discretion over what factors are considered in making the final decision.

## **XI. REMOVAL OF A MEMBER FROM TEAM**

- i. Swimming Canada may, at any time, disqualify a member from being considered for selection or revoke the selection to Canada's 2023 Parapan American Games, based on behaviour of the member that is inconsistent with Swimming Canada's Code of Conduct. A copy of this document is available at this [link](#).
- ii. Members will be removed from consideration for selection to Canada's 2023 Parapan American Games Team or have their selection revoked if they are found to be in violation of any anti-doping policy or procedure as outlined by Swimming Canada, World Anti-Doping Agency (WADA), and the Canadian Centre for Ethics in Sport (CCES).
- iii. Selected members must be a member in good standing with a Swimming Canada affiliated club to be eligible for selection and must remain so through the conclusion of the 2023 Para Pan American Games.
- iv. In the event that the removed member is a swimmer de-selected pursuant to this section, another swimmer will not automatically be added to the team. The ADHP, at his discretion, may add a swimmer to the team if that swimmer has met the applicable MQS and their selection is in the best interests of the individual's development and needs of the team. For example; the swimmer may enable a relay to be swum.
- v. Swimmers who are re-classified by WPS as Not Eligible (NE) or change Sport Class after nomination at the Nomination Events may be de-selected from the team.

De-selection may also occur at any time if an event is deemed no longer viable by WPS following the posting of these criteria, and who are thus unable to compete at the WPS Championships in Manchester.

- a) Swimmers determined as NE by a WPS Classification Panel will automatically be de-selected.
- b) Swimmers who change Sport Class must still meet the applicable MQS and Selection times requirements (Appendix A & Appendix B) in order to remain on the team. The provisions of VIII (v) will apply in this occurrence.

Should a swimmer be de-selected, another swimmer will not automatically be added to the team. The ADHP, at his sole discretion, may add a swimmer to the team if that swimmer has

met the applicable Selection times as shown at Appendix A and their selection is in the best interests of the individuals development and needs of the team. For example; the swimmer may enable a relay to be swum or place inside the Top 8 to add to slot allocation for Paris 2024.
