

CHIEF RECORDER & RECORDER CLINIC

September 1, 2023

WELCOME

The goal of any competition volunteer or official is to contribute to a fair, safe and positive competitive environment.

The goal of this clinic is to:

1. Continue to develop a foundation for your skills as a swimming official.
2. Provide you with an enhanced understanding of the rules of the **Chief Recorder and Recorder**.
3. Develop an understanding for the role and key duties of the **Chief Recorder and Recorder**.

PREFERRED PREREQUISITES

- A general interest in the sport of swimming.
- An interest in the fair conduct of sport.
- Practical experience as a Timekeeper across a range of competitive levels.
- Computer friendly – in this job you will be working with a swimming software application (Hy-Tek or Splash).

CHIEF RECORDER & RECORDER DUTIES

OVERVIEW OF THE ROLE OF CHIEF RECORDER

You will use the computerized swimming competition software (Hy-Tek's Meet Manager or Splash) to:

- Record and post results.
- Set-up swim-off and official split events.
- Score an event.
- Know if a record time is set.
- Re-seed heats and events (if requested by Referee and/or Meet Manager).

On deck experience, working in the meet office or with the CFJ/CJE is the best way to learn this position.

BEFORE THE MEET

- Become familiar with the Meet Information Package and any information concerning scoring.
- Arrive one hour before meet starts or as requested by meet management.
- Ensure equipment and supplies are available, including record forms.
- Have a briefing with the referee upon arrival.
- Determine roles if more than one person is working as Chief Recorder and/or Recorder
- Confirm where and how results are to be posted.
- Identify the Office Manager, Chief Finish Judge or Chief Judge Electronics, Computer Input Person, and Referee(s).

RULES RELATED TO THE ROLE OF CHIEF RECORDER

II.2.11.1 The Chief Recorder is responsible for checking results from computer printouts or from results of times and placing in each event received from the Referee. The Chief Recorder shall witness the Referee's signing the results.

II.2.12.1 The Recorders shall control withdrawals after the heats or finals, enter results on official forms, list all new records established and maintain scores where appropriate.

DURING THE SESSION

MANUAL MEET

If this is a manual meet, the Chief Finish Judge (CFJ) will determine the official time for each swimmer's race.

- The Chief Recorder will input each time for each swimmer into Hy-Tek or Splash.
- Results for the event will then be printed as per the Meet Information Package – gender and age group.
- Include scratches, DQs, and exhibition swims so the total swimmers in the results equals the number of swimmers listed in the psych sheets.
- The CFJ will then confirm that all times for each swimmer are inputted correctly.
- Results can then be posted/signed as directed by the Meet Manager or Referee.

DURING THE SESSION

ELECTRONICS MEET USING CJE

If this is a meet with automatic timing **and** a Chief Judge Electronics (CJE) is responsible for determining the official times for each swimmer:

- The CJE will make decisions on whether to use the touch pad time by observing the touch at the finish of the race.
- Any adjustment of times will be processed by the electronics operator as directed by the CJE.
- The Chief Recorder or Recorder will then access the times through Hy-Tek or Splash to produce results at the end of each event.

DURING THE SESSION

ELECTRONICS MEET USING CFJ

If this is a meet with automatic timing **and** a Chief Finish Judge (CFJ) is responsible for determining the official times for each swimmer:

- The CFJ will access the times for each heat through Hy-Tek or Splash.
- Any adjustment of times will be processed by the Chief Recorder or Recorder as directed by the CFJ.
- The Chief Recorder or Recorder will then produce results at the end of each event.

DURING THE SESSION

ELECTRONICS MEET - RESULTS

When the event is completed, the results will be printed as per the Meet Information Package – gender and age group:

- Include scratches, DQs, and exhibition swims so the total swimmers in the results equals the number of swimmers listed in the psych sheets.
- The CFJ will then confirm that the results are correct.
- Results can then be posted/signed as directed by the Meet Manager or Referee.

RESULTS RELATED TO TIMING

II.11.4 Should a swimmer be disqualified during or following an event, such disqualification should be recorded in the official results, but no time or place shall be recorded or announced.

II.11.5 In the case of a relay disqualification, legal splits up to the time of the disqualification shall be recorded in the official results.

II.11.6 All 50 metre and 100 metre splits shall be recorded for lead-off swimmers during relays and published in the official results.

POSTING RESULTS

A swimmer who has been disqualified shall be listed at the end of the results with no time.

(e.g.) Rachel H. 12 CASC DQ

For relays, legal splits up to the time of the DQ shall be entered.

(e.g.) ABC 1.10.66 2.19.89 DQ

1. Andrea H.

3. Ruth M.

2. Laurie G.

4. Suzanne D.

If the third swimmer was disqualified, all times up to and including the second swimmer will be entered in the results.

OFFICIAL SPLIT TIMES

II.C13.3.3.1 A time achieved by a swimmer while swimming any part of a individual event for an interval shorter than the total distance, shall be official under the following conditions and may be used for entry or record purposes:

- (i) The Referee/Meet Management must be advised prior to commencement of the published event.
- (ii) The swimmer must complete the full distance of the published event.
- (iii) The official split shall be reported as a separate non-scoring event in the meet results.
- (iv) In the case of a disqualification, legal splits up to the time of the disqualification shall be recorded in the official results.
- (v) An Official Split cannot be requested for the first swimmer in a Mixed Relay event. (see II.10.10).

II.C13.3.3.2 Information on the process for requesting Officials Splits will be outlined in the Meet information Package.

OFFICIAL SPLIT TIMES

If an official split is requested, the Chief Recorder will be notified by the Administration Desk:

- A separate event will be created to record the Official Split Time.
- The results will be managed as per any other individual event but will be a non-scoring event in the meet results.
- The first leg of a relay is considered as a race in itself so official times must be posted with the results.
- No official time is allowed for the lead-off swimmer of mixed relays.

SCORING & AWARDS

The Chief Recorder and/or Recorder must be familiar with the scoring system to be used at the competition.

- This information can be found in the Meet Information Package and by confirming with the Meet Manager.
- The Chief Recorder shall verify the final points are accurate.
- Team scores are posted as soon as possible, thus stimulating spirit and performance.
- The top ten men, women and combined team points as well as individual records shall be published.

AFTER THE MEET

- Ensure the Meet Manager has a total of all Individual and Team scoring for the Award Presentation at the end of the meet.
- Confirm that all results are complete, signed and posted.
- Confirm that the paperwork for any records is complete.
- Return all score sheets, Chief Finish Judge reports, electronics tapes, etc. to the office for safe keeping.
- Tidy up the area you were working in.

SEEDING A TIMED FINAL EVENT

SEEDING A TIMED FINAL EVENT

- Most regional meets and time trials are swum as Timed Final events.
- Swimmers swim together senior seeded with boy and girls and all age groups together.
- Most seeding is done prior to the start of the meet by the meet management team.
- The Chief Recorder or Recorder posts the results by gender and age groups as per the Meet Information Package.
- The Chief Recorder and/or Recorder may work with the Meet Manager or the Administration Desk to seed events, process scratches and add deck entry swimmers to the Meet Management software (Hy-tek or Splash).
- Therefore a good understanding of Scratches and Deck Entry rules and procedures, including those stated in the Meet Information Package is important.

SEEDING A TIMED FINAL EVENT

II.C3.5 Timed Final Events

Timed finals are those in which each swimmer swims only once for time. The final placing of all swimmers is determined by their times. Events to be conducted as timed finals must be so designated in the Meet Information Package.

II.C3.5.1 Timed finals should normally be swum “slowest to fastest”, with the swimmers seeded according to their submitted times. However, the 800m and 1500m events may be swum “fastest to slowest” in alternating event order (female/male).

II.C3.5.2 Individual Freestyle events of 800m or longer may be conducted with more than one swimmer per lane and must be so designated in the Meet Information Package.

*** Please note that some PSO's no longer allow 2 per lane swimming.**

SEEDING IN ACTION

Seeding Timed Finals: 8 lane pool

	Lane	1	2	3	4	5	6	7	8
Swimmer #	Heat 1			25	23	24			
Swimmer #	Heat 2		21	19	17	18	20	22	
Swimmer #	Heat 3	15	13	11	9	10	12	14	16
Swimmer #	Heat 4	7	5	3	1	2	4	6	8

II.3.1.1.6 Exception: When there are two or more heats in an event, there shall be a minimum of three swimmers seeded into any one preliminary heat, but subsequent scratches may reduce the number of swimmers in such heat to less than three.

RULES FOR SCRATCHES

II.C3.7 Scratches, Substitutions, & Deck Entries (applies to local Provincial Meets)

II.C3.7.1 Once entered in an event, a swimmer who is not an alternate, may only withdraw or “scratch” from that event without penalty according to rules set down by the Provincial Section or stated in the Meet Information Package.

II.C3.7.2 Heats & Finals: Scratch Deadlines shall be clearly stated in the Meet Information Package.

Timed Final Events: For individual events or relays that are timed finals, the Scratch Deadlines shall be clearly stated in the Meet Information Package.

II.C3.7.3 Penalties: Penalties for failure by a swimmer to scratch from preliminaries, finals, or timed final events shall be clearly stated in the Meet Information Package.

SCRATCHES

TIMED FINAL EVENTS

For Timed Final events, scratches will be received by the Chief Recorder from the Administration Desk, however, the swimmer's name will not be removed from the event.

- When results are posted the swimmer's name will be listed as DNS at the bottom of the results.
- Scratching before the stated deadline avoids the penalties as stated in the Meet Information Package.

RULES DESCRIBING DECK ENTRIES

II.C3.7 Scratches, Substitutions, & Deck Entries (applies to local Provincial Meets)

II.C3.7.5 Deck Entries may be allowed for registered swimmers, shall be clearly stated in the Meet Information Package and shall be classified as Exhibition swims.

- The Chief Recorder will receive any deck entries from the Administration Desk and enter the swimmer into the event/heat/lane as indicated on the deck entry form.
- The Referee, CFJ/CJE, Chief Timekeeper/Lane Timekeepers should be notified of the deck entry.
- The deck entry will be listed at the bottom of the results as an exhibition swim.

RULES DESCRIBING RELAYS

II.10.10 There shall be four swimmers on each relay team. Mixed Relays may be swum. Mixed Relays must consist of two (2) Men and two (2) Women. Split times achieved in these events cannot be used for records and/or entry purposes.

II.C10.10.1 Members of a relay team shall be registered with their PS and members of the same club.

RULES DESCRIBING RELAYS

II.10.14 The members of a relay team and their order of competing must be nominated before the race. Any relay team member may compete in a race only once. The composition of a relay team may be changed between the heats and finals of an event, provided that it is made up from the list of swimmers properly entered by a Member for that event. Failure to swim in the order listed will result in disqualification. Substitutions may be made only in the case of a documented medical emergency.

II.C10.14.1 Unattached swimmers shall not participate in relay events.

II.C10.14.2 A swimmer shall compete as a member of only one relay team per event.

RULES DESCRIBING RELAYS

II.C10.14.3 The deadline for submitting the members of a relay team and their order of competing shall be clearly stated in the Meet Information Package.

II.C10.14.4 The offending swimmer(s) of a relay team disqualified in heats shall not be used as a member(s) of a relay team in the final of the same event.

II.C14.3.2.6 In age-group relays, one (1) or two (2) swimmers may be from a younger age group. In such cases, the swimmer(s) may swim in both their own age-group relay as well as in one or more older age-group relays.

RELAYS

The Chief Recorder and/or Recorder will:

- Ensure that “relay only” swimmers don’t swim in other events.
- Ensure that “unattached swimmers” do not swim in relays.
- Ensure that a swimmer shall compete as a member of only one relay team per event.
- Interchanges of members between heats and finals are allowed.
- Including swimmers in an older age-group event is only permitted in relays, not individual events.

RULES DESCRIBING RELAY NAME CHANGES

II.C3.7.4 ‘Name Change’ Deadlines: ‘Name Change’ deadlines for relays should be clearly stated in the Meet Information Package and announced at the Coaches Technical Meeting.

- Once the relay name deadline has passed, the Chief Recorder or Recorder will confirm that any names changes have been updated in Hy-Tek/Splash.
- Heat sheets with the updated names will then be printed, approved by the session referee, copied and distributed to all officials and Coaches.

SWIM-OFFS

- If a swim-off is required, the Chief Recorder will create a separate event.
- Once the swim-off is completed, the swim-off results are posted as a separate event.
- For the purposes of creating the finals heat sheets, the results maybe reprinted with the swim-off positions included. These results are not posted.
- The Chief Recorder or Recorder should confirm that when the finals heat sheets are created the swimmers from the swim-off are in the proper order.

SEEDING A FINALS SESSION

SCRATCH DEADLINE

The scratch deadline is 30 minutes after the last preliminary event is completed and is announced for all to hear.

- Any Timed Final events in Prelims are not included in determining the scratch deadline.
- Once the scratch deadline passes, all scratches are processed and swimmers who have scratched are removed from swimming in the Finals heats.
- Hy-Tek and Splash will create the Finals start lists as set up in the program. Confirm with the Meet Information Package that A & B finals are correct for the events.
- The fastest heats for any Timed Finals event will be included in the Finals session or as indicated in the Meet Information Package.

RESULTS FOR FINALS

- Results are posted for only the events that are swum during the Finals session.
- No other swimmers from the morning session are included in the posted results for Finals.
- If an event is a Timed Final and the fastest heats swam during Finals, the full results will be posted. Some swimmers in the morning session may have swum faster than the swimmers in the Finals session.

ALTERNATES AND FINALS

- If a swimmer listed in the heat sheet does not arrive to swim in a Finals heat, an alternate may replace the missing swimmer.
- If an alternate swims, the Chief Recorder should confirm that the proper swimmer is listed in the final results.
